**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation on January 24, 2014, based on a complaint filed by Tela Innovations, Inc. (“Tela”) of Los Gatos, California. 79 *Fed. Reg.* 4175-76. The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain standard cell libraries, products containing or made using the same, integrated circuits made using the same, and products containing such integrated circuits by reason of infringement of certain claims of U.S. Patent No. 8,490,043. The complaint further alleges the existence of a domestic industry. The Commission’s notice of investigation named Taiwan Semiconductor Manufacturing Company, Limited of Hsinchu, Taiwan and TSMC North America of San Jose, California (collectively, “TSMC”) as respondents. The Office of Unfair Import Investigations was also named as a party.

On January 30, 2014, Tela moved to amend the complaint and notice of investigation to add allegations of violation of section 337 by reason of infringement of certain claims of U.S. Patent No. 8,635,583. The Commission investigative attorney and TSMC opposed the motion, and Tela filed a reply to their oppositions.

On March 13, 2014, the ALJ issued the subject ID granting the motion to amend the complaint and notice of investigation. No party petitioned for review of the ID. The Commission has determined not to review this ID.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337, and in Part 210 of the Commission’s Rules of Practice and Procedure, 19 C.F.R. Part 210.

By order of the Commission.

Lisa R. Barton  
Acting Secretary to the Commission
